<sup>1</sup> ROIC by segment is not a measure in accordance with IFRS Accounting Standards. However, Sony believes that this disclosure may be useful information to investors.

<sup>2</sup> Operating Income after tax. Tax rates applied to all segments are 32% for FY23 and FY24 May FCT.

<sup>3</sup> The total of long-lived assets, goodwill, investment and inventory have been used for G&NS and ET&S. The total of equity and net debt have been used for Music, Pictures and I&SS (deposits in group companies are excluded from debt). The amount of inventory of G&NS and ET&S and the invested capital of Music, Pictures and I&SS have been calculated by averaging the amount of each at five points in time – the beginning of the fiscal year and the end of each four quarters. The amount of long-lived assets, goodwill and investment of G&NS and ET&S have been calculated by averaging the amount at the beginning and the end of the fiscal year.

<sup>4</sup> Operating CF by segment, Investing CF by segment and Free CF are not a measure in accordance with IFRS Accounting Standards. However, Sony believes that this disclosure may be useful information to investors. The calculation of Operating CF, Investing CF and Free CF for each segment differs from the calculation of the Statement of Cash Flows for Sony without the Financial Services segment in the Consolidated Financial Statements as follows:

- Increases and decreases in restricted cash held by each segment are excluded from Operating CF
- Increases and decreases in fixed-term deposits held by each segment are excluded from Investing CF
- Expenditures for leases are included in Investing CF (instead of Financial CF)

These result in the following amount being adjusted in each of the Operating CF and the Investing CF figures shown above:

(Operating CF) All Other and Corporate and elimination: 0.9 bln yen, Adjustment: -0.9 bln yen

(Investing CF) G&NS: -19.6 bln yen, Music: -43.0 bln yen, Pictures: 24.1 bln yen, ET&S: -29.2 bln yen, I&SS: -9.4 bln yen, All Other and Corporate and elimination: 5.6 bln yen, Adjustment: 71.6 bln yen

<sup>5</sup> "Adjustment" stands for numbers placed for the purpose of matching the total of segments' Operating CF and Investing CF with each of Consolidated without the Financial Services segment.

<sup>1</sup> Hardware is revenue from game consoles including PlayStation®4 and PlayStation®5.

<sup>2</sup> Physical Software is revenue from first party game software for PlayStation® consoles sold on discs to retailers, royalties from third party software sold on discs and revenue from first and third party game software sold bundled with PlayStation® consoles and PlayStation®VR.

<sup>3</sup> Digital Software is revenue from full game downloads of both first and third party titles sold via the PlayStation™Store.

<sup>4</sup> Add-on Content is revenue from digital content other than full games sold via the PlayStation™ Store, such as in-game currency, in-game items and expansion packages.

<sup>5</sup> Other Software is revenue from sales of first-party titles, including add-on content, on platforms other than PlayStation® consoles.

<sup>6</sup> Network Services is revenue recognized through the PlayStation™Network of PlayStation®Plus and advertising revenue. This does not include Game Software revenue.

<sup>7</sup> Others primarily includes revenue from peripherals, including PlayStation®VR.

<sup>8</sup> Hardware units are disclosed on a sell-in basis.

<sup>9</sup> Software unit sales include PlayStation®4 and PlayStation®5 software, including software bundled with PlayStation® consoles and PlayStation®VR in all regions.

<sup>10</sup> Full game software digital download ratio is calculated by dividing PlayStation®4 and PlayStation®5 full game software units sold via digital transactions by total full game software units.

<sup>11</sup> Monthly Active Users is an estimated total number of unique accounts that played games or used services on the PlayStation™Network during the last month of the quarter and is based on company research, and may be updated in the future.

## ■ Adjusted ROE <sup>4</sup>

(Millions of yen)	FY23
Adjusted ROE	8.0%

<sup>1</sup> Revenues of Sony Life and Sony Assurance are stand-alone figures, while that of Sony Bank is the consolidated figure including revenues of its subsidiaries.

<sup>2</sup> For further details about Adjusted Net Income including its formulas and reconciliations, see page 24.

<sup>3</sup> ESR is the ratio of capital (= economic value-based embedded value + frictional costs) to the amount of the economic value-based risk. ESR is calculated with reference to European Solvency II, ICS, and new economic value-based solvency regulation in Japan for broad management decisions. Note that simplified methods are used for some calculations, and no third-party validation of the calculation process or results is conducted.

<sup>4</sup> Adjusted ROE is calculated by dividing Adjusted Net Income by the quarterly average net assets (the sum of net assets at the beginning of the period and the end of each of the following four quarters divided by five).

<sup>1</sup> Contractual Service Margin.

<sup>2</sup> Expected claims and administrative expenses for the maintenance of contracts.

<sup>3</sup> IACF (Insurance acquisition cash flows): Cash flows from expenses which are directly attributable to acquisition of insurance contracts.

<sup>4</sup> Incurred claims and administrative expenses for the maintenance of contracts.

<sup>5</sup> GA (General Account): Account for managing financial assets not included in separate accounts. This account guarantees policyholders a certain assumed interest rate, while the life insurance company bears the asset management risk.

<sup>6</sup> SA (Separate Account): Separate accounts are used for variable life insurance, variable annuities and other insurance products to invest assets separately from the other financial assets owned by an insurance company in order to pay investment returns directly to policyholders.

<sup>7</sup> Overhead expenses that are not directly attributable to fulfilling insurance contracts.

<sup>8</sup> Although "Other result" was presented as "Others" in Supplemental Information used in FY2023 Q1 Earnings Announcement and FY2023 Q2 Earnings Announcement, it will be presented as "Other result" after FY2023 Q3 Earnings Announcement.

<sup>1</sup> Investment income (net) related to variable insurance is financial assets measured at FVPL, associated with variable life insurance and individual variable annuity contracts.

<sup>2</sup> Transaction fees and margin costs required to maintain hedge positions. Includes current accrued interest from bonds designated as measured at fair value through net profits/losses (FVO designated) based on the interest rate at the beginning of the period.

<sup>3</sup> Effect of changes in the value of underlying items of variable life insurance and individual variable annuity contracts and changes in interest rates and other financial risks.

## Cautionary Statement

Statements made in this material with respect to Sony's current plans, estimates, strategies and beliefs and other statements that are not historical facts are forward-looking statements about the future performance of Sony. Forward-looking statements include, but are not limited to, those statements using words such as "believe," "expect," "plans," "strategy," "prospects," "forecast," "estimate," "project," "anticipate," "aim," "intend," "seek," "may," "might," "could" or "should," and words of similar meaning in connection with a discussion of future operations, financial performance, events or conditions. From time to time, oral or written forward-looking statements may also be included in other materials released to the public. These statements are based on management's assumptions, judgments and beliefs in light of the information currently available to it. Sony cautions investors that a number of important risks and uncertainties could cause actual results to differ materially from those discussed in the forward-looking statements, and therefore investors should not place undue reliance on them. Investors also should not rely on any obligation of Sony to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise. Sony disclaims any such obligation. Risks and uncertainties that might affect Sony include, but are not limited to:

- (i) Sony's ability to maintain product quality and customer satisfaction with its products and services;
- (ii) Sony's ability to continue to design and develop and win acceptance of, as well as achieve sufficient cost reductions for, its products and services, including image sensors, game and network platforms, smartphones and televisions, which are offered in highly competitive markets characterized by severe price competition and continual new product and service introductions, rapid development in technology and subjective and changing customer preferences;
- (iii) Sony's ability to implement successful hardware, software, and content integration strategies, and to develop and implement successful sales and distribution strategies in light of new technologies and distribution platforms;
- (iv) the effectiveness of Sony's strategies and their execution, including but not limited to the success of Sony's acquisitions, joint ventures, investments, capital expenditures, restructurings and other strategic initiatives;
- (v) changes in laws, regulations and government policies in the markets in which Sony and its third-party suppliers, service providers and business partners operate, including those related to taxation, as well as growing consumer focus on corporate social responsibility;
- (vi) Sony's continued ability to identify the products, services and market trends with significant growth potential, to devote sufficient resources to research and development, to prioritize investments and capital expenditures correctly and to recoup its investments and capital expenditures, including those required for technology development and product capacity;
- (vii) Sony's reliance on external business partners, including for the procurement of parts, components, software and network services for its products or services, the manufacturing, marketing and distribution of its products, and its other business operations;
- (viii) the global economic and political environment in which Sony operates and the economic and political conditions in Sony's markets, particularly levels of consumer spending;
- (ix) Sony's ability to meet operational and liquidity needs as a result of significant volatility and disruption in the global financial markets or a ratings downgrade;
- (x) Sony's ability to forecast demands, manage timely procurement and control inventories;
- (xi) foreign exchange rates, particularly between the yen and the U.S. dollar, the euro and other currencies in which Sony makes significant sales and incurs production costs, or in which Sony's assets, liabilities and operating results are denominated;
- (xii) Sony's ability to recruit, retain and maintain productive relations with highly skilled personnel;
- (xiii) Sony's ability to prevent unauthorized use or theft of intellectual property rights, to obtain or renew licenses relating to intellectual property rights and to defend itself against claims that its products or services infringe the intellectual property rights owned by others;
- (xiv) the impact of changes in interest rates and unfavorable conditions or developments (including market fluctuations or volatility) in the equity and bond markets on the revenue and operating income of the Financial Services segment;
- (xv) shifts in customer demand for financial services such as life insurance and Sony's ability to conduct successful asset liability management in the Financial Services segment;
- (xvi) risks related to catastrophic disasters, geopolitical conflicts, pandemic disease or similar events;
- (xvii) the ability of Sony, its third-party service providers or business partners to anticipate and manage cybersecurity risk, including the risk of unauthorized access to Sony's business information and the personally identifiable information of its employees and customers, potential business disruptions or financial losses; and
- (xviii) the outcome of pending and/or future legal and/or regulatory proceedings.

Risks and uncertainties also include the impact of any future events with material adverse impact. The continued impact of developments relating to the situations in Ukraine and Russia and in the Middle East could heighten many of the risks and uncertainties noted above. Important information regarding risks and uncertainties is also set forth in Sony's most recent Form 20-F, which is on file with the U.S. Securities and Exchange Commission.
