

### Granting of Restricted Stock Units (“RSUs”)

In June 2022, Sony Group Corporation (the “Corporation”) introduced a stock compensation plan under which shares of its common stock are delivered after the vesting of RSUs (the “Plan”), and today the Corporation announces that it has decided to grant RSUs to the employees of the Corporation and the directors, officers and employees of the subsidiaries of the Corporation (the “Recipients”) under the Plan, as follows.

However, the Compensation Committee or the Representative Corporate Executive Officer may adjust the number of shares to be delivered within the number of RSUs that the Recipient holds.

The number of the units that vest on the first day of the month following the month of the first anniversary of the date of granting or the first day of the month following the month of the second anniversary of the date of granting will be rounded down to the nearest one (1) units.

However, the Compensation Committee or the Representative Corporate Executive Officer may adjust the number of shares to be delivered within the number of RSUs that the Recipient holds.

## 3. Date of Grant

November 27, 2023 (scheduled)

## 4. Method and Timing of Delivery of the Shares of the Corporation

After the vesting of the Fifth Series RSUs and the Sixth Series RSUs, the Corporation will promptly deliver the shares of the Corporation in the same number as the number of vested units by way of issuing

new shares or transferring treasury stock pursuant to the decision of the Representative Corporate Executive Officer of the Corporation through contribution in kind of monetary compensation receivables against the Group Companies that are provided by the Group Companies to the Recipients (the Corporation will cumulatively assume the debt obligation owed to the Recipients of its Related Companies in relation to the monetary compensation receivables that are granted to such Recipients of its Related Companies). However, if deemed necessary by the Corporation, instead of the Related Company granting a monetary compensation receivable to the Recipient, the Corporation may take measures it deems appropriate, such as having such Related Company pay money to such Recipient in an amount equal to the amount of such monetary compensation receivable. In this case, such Recipient shall acquire the shares of the Corporation in the same number as the number of vested units by paying cash to the Corporation in exchange for the Shares. If the total number of issued shares of the Corporation increases or decreases due to stock consolidation or stock split (including free distribution of shares (*musho wariate*)), the Corporation will adjust the number of shares to be delivered by multiplying such number by the ratio of the consolidation or split.

In addition, the amount to be paid per share for the shares of the Corporation to be issued or transferred under the Plan shall be determined by the Corporation (i) based on the closing price of the share of the Corporation in the regular trading thereof on the Tokyo Stock Exchange on the trading day immediately preceding the date when the Representative Corporate Executive Officer of the Corporation makes a decision with respect to such issuance or transfer (or, if no transaction has been effected on such trading day, the closing price on the immediately preceding trading day) and (ii) at a price that is not particularly favorable to the Recipients and within a range that will be compliance with applicable laws and regulations.

If any special circumstances make it difficult to deliver the shares of the Corporation or if the Corporation otherwise deems it necessary, the Group Companies may, at the Corporation's discretion, pay monies of equal value as a substitute for the delivery of the shares of the Corporation.

5. Other matters common to the Fifth Series RSUs and the Sixth Series RSUs

(1) Events that would extinguish the RSUs

In the event that (i) the Recipient chooses to forego his or her RSUs by the date of vesting, or (ii) the Recipient is subject to imprisonment or other serious criminal penalty, (iii) a petition for the commencement of bankruptcy proceedings, the commencement of civil rehabilitation proceedings or the commencement of any other similar proceedings is filed against the Recipient, (iv) a petition for attachment, provisional attachment, provisional disposition, compulsory execution or public auction is filed against the Recipient, or the Recipient receives a penalty for any default on the payment of taxes or other public dues, or (v) certain other events stipulated in advance by the Corporation occur, all of the unvested RSUs will be extinguished.

(2) Handling in the event where reorganization or any other similar events occur

If a proposal with respect to a merger agreement under which the Corporation will be dissolved, a share exchange agreement or a share transfer plan under which the Corporation will become a wholly-owned subsidiary, or any other reorganization is approved at a shareholders' meeting of the Corporation (or by the Board of the Corporation if such approval at a shareholders' meeting of the Corporation is not required with respect to such reorganization) or any other events stipulated by the Corporation occur, the Corporation may deliver to the Recipients the shares of the Corporation, money, or shares of the other party to such reorganization in the number or amount reasonably stipulated in accordance with the decision of the Representative Corporate Executive Officer of the Corporation based on the period that has elapsed between the date of grant and the effective date of such reorganization or any other factors.

(3) Restriction on disposal of the RSUs

The Recipients may not transfer or encumber or otherwise dispose of any RSUs in any manner whatsoever.

6. Other

The Corporation will file a registration statement (Form S-8) regarding the delivery of shares under the Plan to the U.S. Securities and Exchange Commission.
